FAMILY SERVICES

Halloween Costume Drive for Homeless Children

Helping families celebrate special occasions is important. It's about giving homeless and extremely low-income families a chance to spend time with their children outside of the stress of their everyday lives and giving disadvantaged children the same experiences and childhood memories as their peers. Last year Compass helped 266 children express their inner ghoul, superhero and princess.

Pirate Seeks Best Mate

(Tiara optional)

Donate a costume and help a homeless child's imagination set sail.

Costume donations should be:

- New (or good as new)
- For children of all ages
- Not too scary, please!

Each year Compass Family Services helps hundreds of homeless and extremely low income children enjoy Halloween to the max! Your support will make sure that Compass' youngest clients don't miss out on one of childhood's greatest joys.
